What are your most popular products or services?

Creating a “kwartetspel” customised with your own photos and funny lines.

What or who inspired you to start your business?

We made our own “kwartetspel” for a family occasion. We spent a lot of time and effort to create a game with beautiful, old family pictures. Everyone was so excited about the result that we decided to take it a step further.

Who is your role model or mentor?

All the different success stories from other entrepreneurs. The variety of ways to get to success is so inspirational.
